**RESEARCH FACILITATION & STRATEGIC INITIATIVES**

Responsible for the delivery of research facilitation services, which includes the collaborative identification, development/redevelopment and implementation of services, systems and processes that enhance research administration, improved communication with researchers and administrators and ensures accountability to all stakeholders. The team is responsible for reviewing and providing institutional approval for all research-related funding applications/proposals submitted on behalf of the University of Alberta.

**CONTRACTS & AGREEMENTS**

Responsible for negotiation and approval of research agreements/contracts with foreign and domestic federal, provincial and industry sponsors, **excluding** institutional activities and major collaborative partnerships (see Partnership & Institutional Projects for a further listing of excluded programs).

**FINANCE & INFORMATION MANAGEMENT**

Responsible for the post-award financial administration of research grants and contracts including project set up, invoicing and financial reporting.
